

# **TOM KEY** in *The Revelation of John* TECHNICAL RIDER

## **General requirements:**

- 1) a stage platform (minimum 8' x 10') that is cleared of any obstructions.
- 2) a dressing room in the vicinity of the stage area; should be quiet and comfortable with full length mirror, private restroom, hot water and peppermint herbal tea, sugar, one bottle of water, fruit, cheese, crackers and dark chocolate.
- 3) if acoustics demand, a wireless microphone
- 4) a tech (lights, sound, set/props) person to meet with Tom Key approximately two to three hours prior to performance.
- 5) in general a warm wash of light on stage will be fine; however, if there is opportunity for theatrical lighting please advise Tom and he will speak with your tech person about additional ideas.

## **Set/prop needs:**

A matching sanctuary/church style chair and lectern with the chair placed downstage left and the lectern downstage right. There should be about seven to ten feet between the chair/lectern and the downstage edge of the platform. A glass of water (no ice) placed with easy access for Tom. Tom will confirm the location of these props during the pre-show check.

**No taping of *The Revelation of John* performances is allowed without the written consent of Tom Key prior to the performance.**

Hospitality: please contact Dale Savidge at [info@savidge.com](mailto:info@savidge.com) to arrange travel. Housing should be close to the venue with a restaurant close by. Local transportation should be provided.
