

TOM KEY in *Screwtape in Person* TECHNICAL RIDER

General requirements:

- 1) a stage platform (minimum 8' x 10') that is cleared of any obstructions.
- 2) a dressing room in the vicinity of the stage area; should be quiet and comfortable with full length mirror, private restroom, hot water and peppermint herbal tea, sugar, one bottle of water, fruit, cheese, crackers and chocolate.
- 3) a wireless microphone if audience is larger than 100 people.
- 4) a tech (lights, sound, set/props) person to meet with Tom Key approximately four to six hours prior to performance.
- 5) availability of stage area at least one hour prior to performance.
- 6) in general a warm wash of light on stage will suffice; however, if there is opportunity for theatrical lighting please advise Tom and he will speak with your tech people about ways to enhance the show.

No taping of *Screwtape in Person* performances is allowed without the written consent of Tom Key prior to the performance.

Hospitality: please contact Dale Savidge at info@savidge.com to arrange travel. Housing should be close to the venue with a restaurant close by. Local transportation should be provided.
